Alpine Milk Chocolate

The name gives it away: this is a chocolate that reaches lofty heights. A special conching process gives this mixture of Alpine milk and cocoa its characteristic caramel and honey flavour. No wonder that some people abseil off home with this bar.

,

Cocoa Mousse

If you can't believe your eyes when you see the extra large pieces of our Cocoa Mousse bar, you'll just have to trust in your taste. The lightly whipped cocoa mousse blends harmoniously with the hints of honey and caramel in our Alpine milk chocolate.

,

Cornflakes

RITTER SPORT Cornakes gives you breakfast around the clock with crispy cornakes in creamy chocolate. The flakes are produced and selected according to strict quality standards: after all, breakfast is the most important meal of the day.

,

Hazelnuts

Are there more nuts or more chocolate in this bar? You'll have to try the RITTER SPORT Hazelnuts with newly chopped, roasted hazelnuts in crunchy milk chocolate to find out. If you can't decide after the first bite, keep munching until you can.

,

Strawberry Yogurt

It's summer all year round with the RITTER SPORT Strawberry Yogurt bar. Plenty of real fruit pieces, strawberry yogurt mousse and crunchy rice crisps give every piece a sunny outlook. Take it from us: this square strawberry delight will make you hot stuff.

White + Crisp

This bar is a declaration of love to fans of anything crispy. The roasted corn and rice flakes make it twice as crunchy, combining with the strong milk and vanilla avours of the white chocolate to create a harmonious taste. Enough to make anyone’s heart melt

,

Marzipan

Marzipan comes in many dierent shapes, but our favourite is square. It’s simply the best way to bring out this great combination of sweet Californian almonds, a nuance of bier almonds and rm dark chocolate. Sorry about that, marzipan potatoes.
